THZ183CA | Targus Versavu™ Rotating Case & Stand for iPad® mini (Black)

With patent-pending 360 degree rotating axis and soft-touch liner, turn your iPad® Mini into the ultimate media device for work or travel. Take this case everywhere you go and know that your iPad is completely protected.

Durable exterior material for added protection and is easy to clean with the accidental spill. The interior is lined with soft, plush material to prevent scratches on your device.

Type, watch, browse or chat, as this stand features a patent-pending rotating design that allows you to view in either portrait or landscape angles. The case converts to multiple viewing positions to give you the most out of your iPad viewing experience and switches to a sturdy typing position when you're ready to type on your iPad. For added viewing security, six silicone strips hold your iPad in place.

Molded, custom molded cradle keeps your device secure and gives you easy access to all ports and. For added convenience, you never need to take your iPad out of the cradle when rotating.

The case boasts a simple design style with the cover which frames the Apple logo. Topstitching adds to the simple elegance of the Versavu case.
